

Managing Multiple Priorities

Duration: 1 Days **Course Code: A-MMP**

Overview:

Do you have enough time? More and more people are encountering stress, overwork and the pressure of time constraints at work; even the most organized person can sometimes feel overwhelmed and frustrated. Workloads seem impossible and chaotic; handling multiple assignments and demands from several people is the norm rather than the exception. It's no secret that highly successful people are those who have learned to control their days. Time is our most precious and important resource; the ability to manage it effectively is a critical factor of success in today's workplace.

This workshop will introduce you to practical "how-to" techniques in helping you achieve better results both at work and in your personal life.
