

PRINCE2® Practitioner Re-registration

Duration: 3 Days **Course Code: P2R** **Delivery Method: Class Connect HD**

Overview:

The PRINCE2® Examination Board is concerned that Practitioners keep their mastery of PRINCE2® up-to-date. Therefore it decided when the Practitioner exam was introduced that the Practitioner Certificate was only awarded for five years.

Anyone wishing to retain this qualification has to take a written one-hour re-registration exam to demonstrate that they had kept up an adequate ability to apply the method properly.

This coaching experience has been designed to take you from your current level of experience and recall of the method to re-registration readiness in three days. We work with you in a workshop format that builds on where you are and is flexible enough to explore individual and group questions.
