

ArchiMate® Bootcamp

Duration: 3 Days Course Code: AMCV3 Version: 3.1 Delivery Method: Company Event

Overview:

This is a three-day ArchiMate® Bootcamp course for those who wish to achieve ArchiMate® Practitioner – level 2 certification from scratch. From introduction to advanced applications, you'll learn the structure, key concepts and techniques of the ArchiMate® standard, and will be able to model and visualize architectures. After that you will learn advanced applications of the modeling language and advanced techniques, complex modeling situations and direct applications to your own real-world examples. Upon successful completion of this course you will be ready to take the ArchiMate® Foundation and Practitioner exam at a Pearson Vue Testing Center. This ArchiMate® course is being run by Global Knowledge in association with Van Haren Publishing B.V. and is accredited by The Open Group. Exam vouchers are included in the price of this course.

Company Events

These events can be delivered exclusively for your company at our locations or yours, specifically for your delegates and your needs. The Company Events can be tailored or standard course deliveries.
