

Digital Operational Resilience Act (DORA) Lead Manager (PECB Certified) - Including Exam

Duration: 4 Days **Course Code: DORALM** **Delivery Method: Company Event**

Overview:

The PECB Certified DORA Lead Manager training course equips you with the necessary skills to lead and oversee the implementation of digital operational resilience strategies within financial entities to help them ensure compliance with European Union's Digital Operational Resilience Act (DORA).

With DORA taking effect on January 17, 2025, it is essential for professionals to ensure compliance, strengthen cybersecurity, and enhance operational resilience in the financial sector. Attending the PECB Certified DORA Lead Manager training course offers a unique opportunity to engage with industry experts and peers, fostering valuable discussions and insights into best practices for digital operational resilience.

Through interactive sessions and practical exercises, you will gain real-world perspectives on implementing effective strategies to mitigate ICT risks and enhance digital operational resilience in financial institutions.

Additionally, attending this course demonstrates your commitment to professional development and positions you as a competent leader in the evolving landscape of digital operational resilience. Upon successfully completing the training course and exam, you can apply for the "PECB Certified DORA Lead Manager" credential.

Company Events

These events can be delivered exclusively for your company at our locations or yours, specifically for your delegates and your needs. The Company Events can be tailored or standard course deliveries.
