

Gemini for Google Workspace

Duration: 1 Day **Course Code: GO9086** **Delivery Method: Company Event**

Overview:

Discover Gemini for Google Workspace

This training "Gemini for Google Workspace" provides customers with generative AI features in Google Workspace.

Google Workspace is the AI-powered collaboration platform designed to enhance team and individual productivity. It brings Gemini's powerful AI assistance directly into the apps teams use every day, like Gmail, Docs, and Meet.

In this course, you learn about the main features of Gemini and how they can be used to improve productivity and efficiency in Google Workspace.
