

ISO/IEC 27701 Privacy Information Management System Foundation (PECB Certified) - Including Exam

Duration: 2 Days Course Code: ISO27701F

Overview:

The ISO/IEC 27701 Foundation training course is designed to help participants understand the basic concepts and principles of a Privacy Information Management System (PIMS) based on ISO/IEC 27701. Moreover, during this training course, students will learn more on the structure of the standard including its requirements, guidance and controls on the protection of the privacy of Personally Identifiable Information (PII) principals and the relationship of the standard with ISO/IEC 27001 and ISO/IEC 27002. After completing this training course, you can sit for the exam and, if you successfully pass it, you can apply for the "PECB Certificate Holder in ISO/IEC 27701 Foundation" certificate. A PECB Foundation certificate proves that you have comprehended the fundamental methodologies, requirements, guidelines, framework and managerial approach.

Target Audience:

- Individuals involved in information security and privacy management
- Individuals seeking to gain knowledge on the main processes of a privacy information management system
- Individuals interested in pursuing a career in privacy information management
- Individuals responsible for personally identifiable information (PII) within organizations
- Information security team members

Objectives:

- Understand the fundamental concepts and principles of a privacy information management system (PIMS) based on ISO/IEC 27701
- Understand the approaches, standards, methods, and techniques used for the implementation and management of a PIMS
- Identify the relationship between ISO/IEC 27701, ISO/IEC 27001, ISO/IEC 27002, and other standards and regulatory frameworks

Prerequisites:

- None

Testing and Certification

The exam fully meets the requirements of the PECB Examination and Certificate Programme. It covers the following competency domains:

- **Domain 1:** Fundamental principles and concepts of a privacy information management system (PIMS)
 - **Domain 2:** Privacy information management system (PIMS)
- In case candidates fail the exam, they can retake it within twelve months following the initial exam for free.

*Note: This applies only to candidates who have attended the training course.

After successfully completing the exam, you can apply for the credential shown on the table below.

The certificate requirements for the **ISO/IEC 27701 Foundation** are as follows:

PECB Certificate Holder in ISO/IEC 27701 Foundation

- Exam: Pass the PECB ISO/IEC 27701 Foundation exam
- Professional experience: None

- MS audit/assessment experience: None
- PIMMS project experience: None
- Other requirements: Signing the PECB Code of Ethics

Follow-on-Courses:
