

ISO 31000 Risk Management Risk Manager (PECB Certified) - Including Exam

Duration: 3 Days Course Code: ISO31000RM

Overview:

The ISO 31000 Risk Manager training course helps participants acquire the knowledge and ability to integrate the risk management guidelines of ISO 31000 in an organization. It provides a comprehensive understanding of the risk management principles, framework, and process, along with practical methods and techniques for identifying, analyzing, evaluating, and treating risks in various contexts.

This training course provides participants with essential knowledge and skills to apply the ISO 31000 risk management guidelines in practice. It focuses on interpreting and implementing the principles of risk management, establishing a framework suited to an organization's context, and enhancing decision-making through a structured risk management process.

Upon completion of the training course, you can sit for the exam and apply to obtain the "PECB Certified ISO 31000 Risk Manager" credential. The credential demonstrates your knowledge and ability to apply the risk management process in an organization based on the guidelines of ISO 31000 and best practices.

Target Audience:

This training course is intended for:

- Managers or consultants responsible for the effective management of risk in an organization
- Individuals seeking to gain knowledge about the risk management principles, framework, and process
- Individuals responsible for the creation and protection of value in their organizations
- Individuals interested in pursuing a career in risk management

Objectives:

- By the end of this training course, participants will be able to:
- Establish and improve a risk management framework based on ISO 31000
- Explain the fundamental concepts and principles of risk management
- Implement a risk management process based on ISO 31000

Prerequisites:

- A fundamental understanding of ISO 31000 and a comprehensive knowledge of risk management are required to attend the training course.
- ISO31000F - ISO 31000 Risk Management Foundation (PECB Certified) - Including Exam
