

ITIL® 4 Specialist: Drive Stakeholder Value - Including Exam

Duration: 3 Days **Course Code: ITIL4DSV** **Delivery Method: Class Connect**

Overview:

This course provides those IT leaders, practitioners and support staff who already hold the ITIL® 4 Foundation qualification with an understanding of all types of engagement and interactions between a service provider and their customers, users, suppliers and partners, including key CX, UX and journey mapping concepts. The course is based on the ITIL® 4 best practice service value system featured in the latest 2019 guidelines.

This course includes a web proctored exam.

Class-Connect™ HD

This is live hands-on interactive learning where you can attend a course from different training centres. This premium experience uses HD quality audio and video that connects the classrooms over a high capacity managed network to ensure a 'real time' experience. The instructor will be presenting from one location and students attending from other centres are able to interact with the instructor and other delegates using video and voice conferencing.

Target Audience:

This course is aimed at individuals continuing their journey in service management, ITSM managers and aspiring ITSM managers, ITSM practitioners who are responsible for managing and integrating stakeholders, focus on the customer journey and experience, and/or are responsible for fostering relationships with partners and suppliers.

Objectives:
