

PRINCE2® Portfolio Management Practitioner - Including Exam

Duration: 2 Days **Course Code: MOP-P**

Overview:

PRINCE2® Portfolio Management Practitioner provides advice and examples of how to apply principles, practices, and techniques that together enable the most effective balance of organisational change and business as usual. This course engages with the students to ensure that the theory is embedded and delegates feel confident in the practical application of PRINCE2® Portfolio Management.

Target Audience:

The PRINCE2® Portfolio Management Practitioner qualification is aimed at those involved in a range of formal and informal portfolio management roles encompassing investment decision making, project and programme delivery, and benefits realisation. It is relevant to all those involved in the selection and delivery of business change initiatives including: Members of management boards and Directors of Change Senior Responsible Owners (SROs) Portfolio, Programme, Project, Business Change, and Benefits Managers Business Case writers and project appraisers

Objectives:

- The objective of the course is to prepare students for the PRINCE2® Portfolio Management Practitioner level examination. To confirm understanding of the PRINCE2® Portfolio Management principles, cycles, practices, techniques, roles and documentation. A successful Practitioner candidate should be able to apply and understand how to tailor PRINCE2® Portfolio Management effectively. Plus, with suitable support, be able to advise on the implementation of appropriate practices, techniques, and apply the method to a live portfolio.
- Specifically candidates should be able to demonstrate their ability to:
 - Define the business case to get senior management approval for portfolio management
 - Plan the implementation of portfolio management
- Select and adapt PRINCE2® Portfolio Management principles, practices and techniques to suit different organisational environments
- Evaluate examples of PRINCE2® Portfolio Management information (including documents and role descriptions)
- Analyse the solutions adopted in relation to a given scenario

Prerequisites:

MoP-F, PRINCE2® Portfolio Management Foundation

Candidates will need to pass the PRINCE2® Portfolio Management Foundation exam before attempting the Practitioner exam.
