

PRINCE2® Project, Programme, Portfolio Office Management Foundation and Practitioner - Including Exam

Duration: 4 Days Course Code: P3O Delivery Method: Virtual Learning

Overview:

Change is a constant. It is therefore vital to maintain a high level of assurance and stability when executing projects, programs and portfolios.

Around the world, there are many organisations in both the public and private sectors, who recognise that their portfolio, programme and project management is best supported through a delivery support office. The Cabinet Office's PRINCE2® Project, Programme, Portfolio Office Management all touch on the need to provide adequate support structures for these best practices, but until now there has been no single source of information that either organisations or individuals can use for guidance or advice on setting up or running an effective delivery support office.

PRINCE2® Project, Programme, Portfolio Office Management is a Best Management Practice certification and is aligned to PRINCE2® brings the principles, processes and techniques to facilitate effective portfolio, programme and project management through enablement, challenge and support structures.

PRINCE2® Project, Programme, Portfolio Office Management is now the established approach in supporting senior management decision making through the portfolio, its programmes, projects and business as usual. It enables individuals and organisations to establish, develop and maintain appropriate support structures that will assist senior management decision making; identify and realise outcomes and benefits via programmes and projects; deliver programmes and projects within time, cost, quality and other constraints.

The course has been very much designed with the delegate in mind. Using best practice Accelerated Learning techniques and high quality course materials. The course is constructed to help delegates navigate their way through a complex and extensive method in a way that appeals to all learning styles. The course is delivered in an integrated manner so that delegates are working with Practitioner level material from day one.

At the end of the course you will be able to sit both the PRINCE2® Project, Programme, Portfolio Office Management Foundation and Practitioner examinations. Web proctored exam vouchers are included.

Virtual Learning

This interactive training can be taken from any location, your office or home and is delivered by a trainer. This training does not have any delegates in the class with the instructor, since all delegates are virtually connected. Virtual delegates do not travel to this course, Global Knowledge will send you all the information needed before the start of the course and you can test the logins.

Target Audience:

This course is aimed at candidates who have some experience of participating in strategic planning or working at programme or project management level (typically between three and twelve months) then this PRINCE2® Project, Programme, Portfolio Office Management Foundation and Practitioner course is for you.
