

EXIN Service Integration and Management (SIAM™) Professional – Including Exam

Duration: 3 Days Course Code: SIAMP Version: 3

Overview:

The EXIN SIAM™ Professional certification, based on the Scopism SIAM BoK version 3, gives you proven, job-ready SIAM expertise that organizations actively look for.

This certification validates that you can handle real-world complexity by integrating multiple service providers, navigating competing priorities, and maintaining control in fast-changing environments.

Be the professional decision-makers trust to successfully manage services, govern suppliers, and deliver measurable business outcomes.
Updated 7/6/2026

Target Audience:

This certification is designed for professionals who work in or aspire to work in complex service ecosystems, including:

- Service Managers and Service Management Practitioners
- SIAM Consultants and Service Integrators
- Service and Enterprise Architects
- Supplier, Vendor, and Contract Managers
- Business Relationship Managers
- Project, Program, and Transformation Managers
- Professionals responsible for retained capabilities or intelligent client functions

Objectives:

- **This certification equips you to:**
- Design a SIAM strategy aligned with business goals, sourcing models, and organizational constraints.
- Integrate multiple internal and external service providers into one coherent, business-facing ecosystem.
- Define and operate governance frameworks that drive accountability, transparency, and performance.
- Plan and execute SIAM implementations, including onboarding and offboarding providers with minimal disruption.
- Run, measure, and continuously improve a SIAM ecosystem using meaningful performance insights.
- Manage organizational change across people, processes, and suppliers — not just technology.

Prerequisites:

Requirements for certification

- Successful completion of the EXIN SIAM™ Professional based on the Scopism SIAM BoK V3 exam.
- Accredited EXIN SIAM™ Professional based on the Scopism SIAM BoK V3 training, including completion of the Practical Assignments.
- SIAMF - EXIN SIAM™ Foundation based on the Scopism SIAM BoK V3 – Including Exam
