

## TOGAF® EA Training - Combined Foundation and Practitioner + exams

Duration: 4 Days    Course Code: T-TEAC    Version: 10th Edition

### Overview:

This TOGAF® EA Training – Foundation & Practitioner Combined Course is based on the latest version of TOGAF and will help you to prepare to take The Open Group's Combined Part 1/2 examination leading to the TOGAF® Enterprise Architecture Practitioner qualification. The TOGAF® Enterprise Architecture Practitioner certification provides validation that an individual has the knowledge, comprehension, and ability to analyze and apply the TOGAF® Standard to developing, sustaining, and using an Enterprise Architecture.

This course includes all topics examinable but candidates should be aware that these are not covered in detail and additional study is required.

*This TOGAF® EA Training Combined Foundation & Practitioner course is accredited by The Open Group.*

*TOGAF® is a registered trademark of The Open Group.*
