TOGAF® EA Training - Foundation

Duration: 2 Days   **Course Code: T-TEAF**   **Version: 10th Edition**   **Delivery Method: Virtual Learning**

Overview:

This TOGAF® EA Training Foundation Course introduces the latest version of TOGAF and will help you to prepare to take The Open Group's examination leading to the TOGAF® Enterprise Architecture Foundation qualification. This course introduces all of the topics defined as the Learning Outcomes upon which the TOGAF® Enterprise Architecture Foundation Examination is based, to the level needed to pass the examination. Candidates should be aware that this course does not address these topics in detail and additional study is required.
This TOGAF® EA Training Foundation course is accredited by The Open Group.
TOGAF® is a registered trademark of The Open Group.
Exam vouchers are included in the price of this course.

Virtual Learning

This interactive training can be taken from any location, your office or home and is delivered by a trainer. This training does not have any delegates in the class with the instructor, since all delegates are virtually connected. Virtual delegates do not travel to this course, Global Knowledge will send you all the information needed before the start of the course and you can test the logins.
