

## PRINCE2® Practitioner including exam

Varighed: 2 Days    Kursus Kode: P2U

---

### Beskrivelse:

PRINCE2® has established itself as the premier approach to managing projects. PRINCE2® is generic – capable of being applied to any kind of project – scaleable and business-driven. Organisations that have adopted the PRINCE2® have claimed that they have been able to achieve greater customer satisfaction during and at the end of projects, to reduce costs and to realise greater benefit from project deliverables. The Registered PRINCE2® Practitioner qualification is now established as an external competence measure by organisations in the UK, the Netherlands, Australia and elsewhere.

PRINCE2® is a Trade Mark of the Office of Government Commerce.
