

## ServiceNow Adopting a Platform Owner Mindset

**Duration: 2 Days**    **Course Code: SNAPOM**    **Delivery Method: Virtuel deltagelse**

---

### Overview:

Learn to drive Platform value in the enterprise.

Adopting a Platform Owner Mindset is a 2-day business simulation workshop designed for anyone in a ServiceNow-related technical role who wants to learn how to make good strategic decisions and navigate pivotal moments in the ServiceNow journey of an enterprise as the best platform owners do.

Virtuel deltagelse

Et V&C Select kursus indholder nøjagtig det samme som et almindeligt kursus. Før kursusstart modtager man kursusmaterialet. Dernæst logger man på kurset via internettet og ser via sin pc den selvsamme præsentation som de øvrige deltagere, man kommunikerer via chat med underviseren og de øvrige deltagere på kurset. Denne uddannelsesmodel er både tids-og omkostningsbesparende og kan være et oplagt alternativ til almindelig klasseundervisning, hvis man f.eks. har et begrænset rejsebudget.

---

### Target Audience:

Anyone who is a ServiceNow platform user or owner and wants to increase adoption in the enterprise.

---

### Objectives:

- This non-technical program will benefit anyone from seasoned admins and developers to new platform owners who want to ensure they best position the ServiceNow platform to drive the most value for their enterprise. Learn the power skills and gain the situational experiences it takes to walk in the shoes of a great ServiceNow Platform Owner.
  - Go beyond technical training with ServiceNow. The boundaries between business and technology are blurring, and ServiceNow professionals need to speak to the business better than ever to communicate the possibilities within the platform for achieving strategic objectives.
- 

### Prerequisites:

- SNSAF - ServiceNow Administration Fundamentals
-
