

ServiceNow Administration Fundamentals

Varighed: 365 Days Kursus Kode: SNSAF Leveringsmetode: Elearning (Self-paced)

Beskrivelse:

ServiceNow Administration Fundamentals is a three-day course taught both as Instructor-Led Training (ILT) and Virtual Instructor-Led Training (VILT) in timezones throughout the world. The course offers robust lessons, group discussions, and reviews of real world system administration scenarios. You will also receive your very own sandbox instance for the duration of class to practice lessons learned through a variety of hands-on lab exercises to establish and build upon common concepts and skills.
