## TOGAF® EA Training - Combined Foundation and Practitioner + exam

Varighed: 4 Days    Kursus Kode: T-TEAC    Version: 10th Edition

---

### Beskrivelse:

This TOGAF® EA Training – Foundation & Practitioner Combined Course is based on the latest version of TOGAF and will help you to prepare to take The Open Group's Combined Part 1/2 examination leading to the TOGAF® Enterprise Architecture Practitioner qualification.

The TOGAF® Enterprise Architecture Practitioner certification provides validation that an individual has the knowledge, comprehension, and ability to analyze and apply the TOGAF® Standard to develop, sustain, and use an Enterprise Architecture. This course introduces all of the topics defined as the Learning Outcomes upon which the TOGAF® Enterprise Architecture Practitioner Examination is based, but Candidates should be aware additional study outside of class is highly recommended to pass the exam.

*This TOGAF® EA Training Combined Foundation & Practitioner course is accredited by The Open Group.*

*TOGAF® is a registered trademark of The Open Group.*

---
