

TOGAF® EA Training - Practitioner + exam

Varighed: 2 Days Kursus Kode: T-TEAP Version: 10th Edition

Beskrivelse:

This TOGAF® EA Training Practitioner Course is based on the latest version of TOGAF and will help you to prepare to take The Open Group's examination leading to the TOGAF® Enterprise Architecture Practitioner qualification. The TOGAF® Enterprise Architecture Practitioner certification provides validation that an individual has the knowledge, comprehension, and ability to analyze and apply the TOGAF® Standard to developing, sustaining, and using an Enterprise Architecture.

The learning objectives at this level focus on application and analysis in addition to knowledge and comprehension. This course introduces all of the topics defined as the Learning Outcomes upon which the TOGAF® Enterprise Architecture Practitioner Examination is based, but Candidates should be aware additional study outside of class is highly recommended to pass the exam.

This TOGAF® EA Training Practitioner course is accredited by The Open Group.

TOGAF® is a registered trademark of The Open Group.
