

Maximo Application Suite - Manage: Core Data Setup

Varighed: 2 Days Kursus Kode: MAX4326G Leveringsmetode: Virtuel deltagelse

Beskrivelse:

This 1-day instructor led course provides students with an understanding of how to create a new Organization and Site in Maximo Manage and discuss the core options available in the Organizations application. They will also be able to create classifications and Location records. Students will learn about topics such as Multi-Organization strategy, GL Account setup and Organization Options. This course also has hands-on lab exercises using a Red Hat OpenShift Maximo Manage environment.

Virtuel deltagelse

Et V&C Select kursus indholder nøjagtig det samme som et almindeligt kursus. Før kursusstart modtager man kursusmaterialet. Dernæst logger man på kurset via internettet og ser via sin pc den selvsamme præsentation som de øvrige deltagere, man kommunikerer via chat med underviseren og de øvrige deltagere på kurset. Denne uddannelsesmodel er både tids-og omkostningsbesparende og kan være et oplagt alternativ til almindelig klasseundervisning, hvis man f.eks. har et begrænset rejsebudget.

Målgruppe:

Consultants, System Administrators, Support, Sales, and Users

Agenda:

- | | |
|--|--|
