

ISO/IEC 27035 Foundation (PECB certified) + exam

Duration: 2 Days Course Code: IS27035F Version: 2.1

Overview:

ISO/IEC 27035 Foundation training enables you to learn the basic elements to implement an Incident Management Plan and manage Information Security Incidents. During this training course, you will be able to understand Information Security Incident Management processes. After completing this course, you can sit for the exam and apply for the "PECB Certificate Holder in ISO/IEC 27035 Foundation" certificate. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, requirements, and management approach.

Target Audience:

Individuals interested in Information Security Incident Management process approaches
Individuals seeking to gain knowledge about the main principles and concepts of Information Security Incident Management
Individuals interested to pursue a career in Information Security Incident Management

Objectives:

- Understand the basic concepts of Information Security Incident Management
- Understand the process approaches used to effectively manage Information Security Incidents
- Acknowledge the correlation between ISO/IEC 27035 and other standards and regulatory frameworks

Prerequisites:

Basic knowledge on Security Incident Management is preferred.

Testing and Certification

Examination

The "PECB ISO/IEC 27035 Foundation" exam fully meets the requirements of the PECB Examination and Certification Programme (ECP). The exam covers the following competency domains:

- **Domain 1:** Fundamental principles and concepts of Information Security Incident Management
- **Domain 2:** Information Security Incident Management

Certification

After successfully completing the exam, you can apply for the "PECB Certified ISO/IEC 27035 Foundation" credential.

- Certificate and examination fees are included in the price of the training course
- In case of exam failure, you can retake the exam within 12 months for free

Content:

Day 1: Introduction to fundamental principles and concepts of Information Security Incident Management by using ISO/IEC 27035

Day 2: Information Security Incident Management process approaches and Certificate Exam

Additional Information:

An attestation of course completion worth 14 CPD (Continuing Professional Development) credits will be issued to the participants who have attended the training course.
