

ITIL® 4 Specialist: Create, Deliver, Support - Including Exam

Duration: 3 Days Course Code: ITIL4CDS Delivery Method: Company Event

Overview:

This course provides those IT leaders, practitioners and support staff who already hold the ITIL 4 foundation qualification with an understanding of how to integrate different value streams and activities to create, deliver and support IT-enabled products and services, and relevant practices, methods and tools. It gives them an understanding of service performance, service quality and improvement methods. The course is based on the ITIL 4 best practice service value system featured in the latest 2019 guidelines. This course includes an exam

Company Events

These events can be delivered exclusively for your company at our locations or yours, specifically for your delegates and your needs. The Company Events can be tailored or standard course deliveries.
