

ITIL® 4 Specialist: Create, Deliver, Support - Including Exam

Duration: 3 Days **Course Code: ITIL4CDS** **Delivery Method: Virtual Learning**

Overview:

This course provides those IT leaders, practitioners and support staff who already hold the ITIL® 4 foundation qualification with an understanding of how to integrate different value streams and activities to create, deliver and support IT-enabled products and services, and relevant practices, methods and tools. It gives them an understanding of service performance, service quality and improvement methods. The course is based on the ITIL® 4 best practice service value system featured in the latest 2019 guidelines.

This course includes a web proctored exam.
