

PRINCE2® Foundation and Practitioner (7th edition) - includes exams

Duration: 5 Days Course Code: P2FP7 Version: 7.0

Overview:

Introducing the PRINCE2® 7th Edition Foundation and Practitioner Combined Course

Are you ready to master the art of modern project management and elevate your career to new heights? Our PRINCE2® 7th Edition Foundation and Practitioner Combined Course is designed to equip you with a comprehensive understanding of PRINCE2®, the leading project management methodology, and prepare you for both the Foundation and Practitioner examinations.

In this dynamic and intensive program, you will embark on a transformative journey that covers the essential principles, practices, and techniques of PRINCE2® 7th Edition. This combined course seamlessly integrates the content of both the Foundation and Practitioner levels, ensuring you gain a deep and practical knowledge of project management.

Target Audience:

This course is aimed at aspiring project managers, practising project managers and programme managers. Line managers with project management responsibilities or looking to advance their careers can also benefit from this training and certification.

Objectives:

- Understand key concepts relating to projects and PRINCE2
 - Understand how the PRINCE2 principles underpin the PRINCE2 method
 - Understand the importance of people in successful projects
 - Understand the PRINCE2 practices and how they are applied throughout the project
 - Understand the PRINCE2 processes and how they are carried out throughout the project
 - Demonstrate a wider appreciation of PRINCE2 skills and know-how, and apply this in a realistic context
 - Efficiently navigate the PRINCE2 7 Official Book
 - Tailor best practice in response to different project circumstances
 - Analyse information and reason whether a course of action is effective/appropriate in accordance with PRINCE2 best practice
 - Apply PRINCE2 method to your own projects
 - Complete the PRINCE2 Foundation and Practitioner examination
-
