

ArchiMate® 3 Training Course - Foundation

Duración: 2 Días **Código del Curso: AM** **Version: 3.1** **Método de Impartición: Curso Remoto (Virtual)**

Temario:

This two-day ArchiMate® Foundation Level 1 course is designed for those who want to learn about and apply ArchiMate® as a modeling language. You'll gain knowledge of the structure, key concepts and techniques of the ArchiMate® standard, and learn how to model and visualize architectures.

Upon successful completion of this course, you will be ready to take the newest ArchiMate® Foundation exam at a Pearson Vue Testing Center.

Exam vouchers are included in the price of this course.

Virtual Learning

This interactive training can be taken from any location, your office or home and is delivered by a trainer. This training does not have any delegates in the class with the instructor, since all delegates are virtually connected. Virtual delegates do not travel to this course, Global Knowledge will send you all the information needed before the start of the course and you can test the logins.

Dirigido a:
