

Cybersecurity Maturity Model Certification (CMMC) Foundations (PECB Certified) - Including Exam

Duración: 2 Días **Código del Curso: CMMC-F** **Método de Impartición: Curso Cerrado (In-Company)**

Temario:

The PECB CMMC Foundations training course enables participants to understand the fundamental concepts, definitions, and approaches of the CMMC model.

The PECB CMMC Foundations training course allows you to learn more about the structure of the CMMC model, including CMMC levels, domains, and practices. You will also gain basic knowledge related to the CMMC ecosystem, the CMMC assessment process, and the CMMC Code of Professional Conduct.

The successful completion of the training course is followed by an exam. A PECB CMMC Foundations certificate demonstrates that you comprehend the CMMC model, are able to identify the requirements for CMMC levels, and have the basic knowledge to help an organization in implementing the CMMC requirements.
