

ITIL[®] 4 Foundation Bridge + exam

Duración: 1 Días Código del Curso: ILFN4B

Temario:

IT has long been an integral part of our society. Where IT used to support the primary business process, IT is now integrated with the primary business process. To ensure that the primary business processes function optimally, the IT services must also be optimal. The Best Practice ITIL[®] gives an (IT) organization opportunities and possibilities to perfectly tune the IT services to the needs and possibilities of the business processes. ITIL[®] is not only applicable to IT services anymore. Other forms of service provision can also make use of this Best Practice.

During the ITIL[®] 4 Foundation Bridge training course the participant who is already have an ITIL[®] V3/2011 Foundation certificate learns about concepts such as the Service Value System, the Service Value Chain and the ITIL[®] 'Guiding Principles'. After following this training the participant is able to take the ITIL[®] 4 Foundation exam and can contribute to the further professionalization of their own (IT) organization. *ITIL[®] is a registered trade mark of AXELOS Limited, used under permission of AXELOS Limited.
