

TOGAF® EA Training - Combined Foundation and Practitioner + exam

Duración: 4 Días **Código del Curso: T-TEAC** **Version: 10th Edition** **Método de Impartición: Curso Remoto (Virtual)**

Temario:

This TOGAF® EA Training – Foundation & Practitioner Combined Course is based on the latest version of TOGAF and will help you to prepare to take The Open Group's Combined Part 1/2 examination leading to the TOGAF® Enterprise Architecture Practitioner qualification.

The TOGAF® Enterprise Architecture Practitioner certification provides validation that an individual has the knowledge, comprehension, and ability to analyze and apply the TOGAF® Standard to develop, sustain, and use an Enterprise Architecture. This course introduces all of the topics defined as the Learning Outcomes upon which the TOGAF® Enterprise Architecture Practitioner Examination is based, but Candidates should be aware additional study outside of class is highly recommended to pass the exam.

This TOGAF® EA Training Combined Foundation & Practitioner course is accredited by The Open Group. Individuals who are TOGAF 9 Certified who wish to update their qualifications as part of their professional development, and demonstrate their ability to apply Enterprise Architecture should consider our TOGAF® EA Training Bridge Course.

TOGAF® is a registered trademark of The Open Group.
