

TOGAF® EA Training - Foundation

Duración: 2 Días **Código del Curso: T-TEAF** **Version: 10th Edition** **Método de Impartición: Curso Remoto (Virtual)**

Temario:

This TOGAF® EA Training Foundation Course introduces the latest version of TOGAF and will help you to prepare to take The Open Group's examination leading to the TOGAF® Enterprise Architecture Foundation qualification. This course introduces all of the topics defined as the Learning Outcomes upon which the TOGAF® Enterprise Architecture Foundation Examination is based, to the level needed to pass the examination. Candidates should be aware that this course does not address these topics in detail and additional study is required.

Exam vouchers are included in the price of this course.

This TOGAF® EA Training Foundation course is accredited by The Open Group.

TOGAF® is a registered trademark of The Open Group.

Curso Remoto (Abierto)

Nuestra solución de formación remota o virtual, combina tecnologías de alta calidad y la experiencia de nuestros formadores, contenidos, ejercicios e interacción entre compañeros que estén atendiendo la formación, para garantizar una sesión formativa superior, independiente de la ubicación de los alumnos.
