

## Certified Information Privacy Manager + examen

**Durée: 2 Jours**    **Réf de cours: CIPM**    **Méthodes d'apprentissage: Virtual Learning**

### Résumé:

The Certified Information Privacy Manager (CIPM) is the world's first and only certification in privacy programme management. When you earn a CIPM, it shows that you know how to make a privacy programme work for your organisation. In other words, you're the go-to person for day-to-day operations when it comes to data protection.

The CIPM program was developed by the International Association of Privacy Professionals (IAPP), which is the world's largest comprehensive global information privacy community and resource. The CIPM certification also holds accreditation under ISO 17024: 2012.

Are you GDPR Ready?

The General Data Protection Regulation (GDPR) takes effect in 2018, are you ready for it?

There's a lot to know, there's a lot at stake and there's a lot of opportunity for data protection professionals with the right training and education. Achieving a CIPM credential shows that you have a practical and comprehensive knowledge of how data protection programmes should work across an organization.
