

CompTIA Project+

Durée: 5 Jours **Réf de cours: G011** **Version: PK0-005** **Méthodes d'apprentissage: Classe à distance**

Résumé:

Master practical project management skills and take your first step toward a recognized certification and career growth.

CompTIA Project+ is a five-day, instructor-led course designed to provide delegates with the essential knowledge and skills required to manage projects effectively or to be a valued, high-performing member of a project team. This entry-level project management certification validates core capabilities in managing projects, timelines, budgets, and team communication. It demonstrates professionals' ability to plan, execute, and deliver projects on time and within scope, while ensuring strong communication and efficient resource management. With the global economy projected to require 25 million new project management professionals by 2030, CompTIA Project+ is an ideal starting point for individuals pursuing roles such as project coordinator or project manager. The course delivers a solid foundation for building a successful career in this dynamic, high-demand field across a wide range of industries.

Classe à Distance - site Client

Cette formation peut être suivie à distance en synchrone depuis n'importe quel site pourvu d'une connexion internet (2 Mb/s en symétrique recommandés). Le programme (théorie et pratique) suit le même déroulé pédagogique qu'en présentiel. La solution technologique adoptée permet aux apprenants à distance de suivre les présentations faites au tableau, de voir et d'entendre l'instructeur et les participants en temps réel, mais également d'échanger avec eux.

Public visé:

- Individuals in various job roles who are involved in leading, managing, and participating in small to medium scale projects.
