- ILFN4 - ITIL<sup>®</sup> 4 Foundation - Examen inclus

### Test et certification

This course prepares delegates for the ITIL<sup>®</sup> Strategic Leader: Digital and IT Strategy examination and is one of the two modules that lead to the award of ITIL<sup>®</sup> 4 Strategic Leader (SL) status.

For the ITIL<sup>®</sup> 4 Digital and IT Strategy certification, there are two forms of assessment:

- Practical case study assignments; The case study assignments are covered and graded in the training session.
- Multiple-choice question exam; this is taken subsequent to the training course

A candidate must successfully pass both the case study assignments and the Multiple Choice Exam to achieve the certification.

The exam fee is included.
