

ServiceNow Adopting a Platform Owner Mindset

Durée: 2 Jours **Réf de cours: SNAPOM** **Méthodes d'apprentissage: Virtual Learning**

Résumé:

Learn to drive Platform value in the enterprise.

Adopting a Platform Owner Mindset is a 2-day business simulation workshop designed for anyone in a ServiceNow-related technical role who wants to learn how to make good strategic decisions and navigate pivotal moments in the ServiceNow journey of an enterprise as the best platform owners do.

Virtual Learning

This interactive training can be taken from any location, your office or home and is delivered by a trainer. This training does not have any delegates in the class with the instructor, since all delegates are virtually connected. Virtual delegates do not travel to this course, Global Knowledge will send you all the information needed before the start of the course and you can test the logins.

Public visé:

Anyone who is a ServiceNow platform user or owner and wants to increase adoption in the enterprise.

Objectifs pédagogiques:

- This non-technical program will benefit anyone from seasoned admins and developers to new platform owners who want to ensure they best position the ServiceNow platform to drive the most value for their enterprise. Learn the power skills and gain the situational experiences it takes to walk in the shoes of a great ServiceNow Platform Owner. Go beyond technical training with ServiceNow. The boundaries between business and technology are blurring, and ServiceNow professionals need to speak to the business better than ever to communicate the possibilities within the platform for achieving strategic objectives.
