

ITIL 4 - Drive Stakeholder Value

Duration: 3 Days **Course Code: ITIL4DSV** **Delivery Method: Virtual Learning**

Overview:

This course provides those IT leaders, practitioners and support staff who already hold the ITIL 4 Foundation qualification with an understanding of all types of engagement and interactions between a service provider and their customers, users, suppliers and partners, including key CX, UX and journey mapping concepts. The course is based on the ITIL 4 best practice service value system featured in the latest 2019 guidelines.

This course includes a web proctored exam.

Virtual Learning

This interactive training can be taken from any location, your office or home and is delivered by a trainer. This training does not have any delegates in the class with the instructor, since all delegates are virtually connected. Virtual delegates do not travel to this course, Global Knowledge will send you all the information needed before the start of the course and you can test the logins.

Target Audience:

This course is aimed at individuals continuing their journey in service management, ITSM managers and aspiring ITSM managers, ITSM practitioners who are responsible for managing and integrating stakeholders, focus on the customer journey and experience, and/or are responsible for fostering relationships with partners and suppliers.
