

BCS Foundation Certificate in Business Analysis + Exam

Cursusduur: 3 Dagen Cursuscode: BCS-FBA

Beschrijving:

Deze 3-daagse BCS Foundation cursus behandelt het scala van concepten, benaderingen en technieken die van toepassing zijn op Business Analyse. Kandidaten worden geacht hun kennis en begrip van deze aspecten van Business Analysis aan te tonen.

De BCS Foundation Certificate in Business Analysis certificering biedt een basis voor de reeks van gespecialiseerde BCS modulaire certificaten op het gebied van Business Analysis, IS Consultancy en Business Change. De certificering kan ook worden gebruikt als de op kennis gebaseerde specialistische module voor het International Diploma in Business Analysis. Daarnaast biedt de certificering basiskennis op het gebied van bedrijfsanalyse voor specialisten in andere disciplines, met name projectmanagers en systeemontwikkelaars. De syllabus is gebaseerd op de BCS publicatie Business Analysis, 3rd edition, en het wordt aanbevolen dat deze tekst wordt bestudeerd door diegenen die zich voorbereiden op het afleggen van dit examen. De titels van de syllabus hebben betrekking op de relevante titels van hoofdstukken, paragrafen en teksten in deze publicatie.

This 3-day BCS Foundation course covers the range of concepts, approaches and techniques that are applicable to Business Analysis. Candidates are required to demonstrate their knowledge and understanding of these aspects of Business Analysis.

The BCS Foundation Certificate in Business Analysis certification provides a foundation for the range of specialist BCS modular certificates in the areas of Business Analysis, IS Consultancy and Business Change. The certification can also be used as the knowledge-based specialist module for the International Diploma in Business Analysis. In addition, the certification provides foundation-level Business Analysis knowledge for specialists in other disciplines, particularly Project Managers and System Developers. The syllabus is based on the BCS publication Business Analysis, 3rd edition, and it is recommended that this text is studied by those preparing to take this examination. The headings listed in the syllabus relate to the relevant chapter headings, section headings and text included in this publication.
