

CompTIA Project+

Cursusduur: 5 Dagen
Learning

Cursuscode: G011

Version: PK0-005

Trainingsmethode: Virtual

Beschrijving:

Master practical project management skills and take your first step toward a recognized certification and career growth.

CompTIA Project+ is a five-day, instructor-led course designed to provide delegates with the essential knowledge and skills required to manage projects effectively or to be a valued, high-performing member of a project team. This entry-level project management certification validates core capabilities in managing projects, timelines, budgets, and team communication. It demonstrates professionals' ability to plan, execute, and deliver projects on time and within scope, while ensuring strong communication and efficient resource management. With the global economy projected to require 25 million new project management professionals by 2030, CompTIA Project+ is an ideal starting point for individuals pursuing roles such as project coordinator or project manager. The course delivers a solid foundation for building a successful career in this dynamic, high-demand field across a wide range of industries.

Virtueel en Klassikaal™

Virtueel en Klassikaal™ is een eenvoudig leerconcept en biedt een flexibele oplossing voor het volgen van een klassikale training. Met Virtueel en Klassikaal™ kunt u zelf beslissen of u een klassikale training virtueel (vanuit huis of kantoor) of fysiek op locatie wilt volgen. De keuze is aan u! Cursisten die virtueel deelnemen aan de training ontvangen voor aanvang van de training alle benodigde informatie om de training te kunnen volgen.
