

ISO 26000 Social Responsibility Lead Manager (PECB Certified) - Including Exam

Cursusduur: 4 Dagen Cursuscode: ISO26000LM

Beschrijving:

PECB ISO 26000 Lead Manager course places a strong emphasis on ethical leadership and sustainable business practices. This training course enables you with the necessary knowledge skills to guide organizations in planning, establishing, maintaining, reviewing, and continually improving their strategic social responsibility initiatives, in accordance with ISO 26000 guidelines and other industry best practices. During the training course, you will explore the fundamental concepts and principles of social responsibility, gaining a deep understanding of how to effectively implement and integrate these principles into organizational frameworks. Practical examples and scenario-based exercises are incorporated, ensuring that you will grasp theoretical concepts and will be well-prepared to apply them in real-world situations. After successfully completing the training, you can undertake the certification exam to earn the "PECB Certified ISO 26000 Lead Manager" credential. This certification proves that you possess both the theoretical and practical knowledge and skills required to guide and lead organizations in developing and improving social responsibility strategies aligned with ISO 26000 guidelines.
