

## ISO/IEC 27002 Information Security Controls Manager (PECB Certified) - Including Exam

Cursusduur: 3 Dagen    Cursuscode: ISO27002M

### Beschrijving:

ISO/IEC 27002 Manager training course provides information on the implementation and management of information security controls based on ISO/IEC 27002.

ISO/IEC 27002 Manager enables participants to acquire the necessary knowledge and skills to support an organization in selecting, implementing, and managing information security controls based on ISO/IEC 27002. The training course provides information that will help participants in gaining a thorough understanding of how information security risks can be treated by selecting relevant controls, especially in the context of an information security management system (ISMS).

A PECB ISO/IEC 27002 Manager certification will enable you to demonstrate your comprehensive knowledge in the implementation and management of information security controls based on industry best practices.

### Doelgroep:

**This training course is intended for:**

- Managers involved in the implementation of an information security management system (ISMS) based on ISO/IEC 27001
- IT professionals and consultants seeking to enhance their knowledge in information security
- Members of an ISMS implementation or information security team
- Individuals responsible for information security in an organization

### Doelstelling:

- **By successfully completing this training course, you will be able to:**
- Explain the fundamental concepts of information security, cybersecurity, and privacy based on ISO/IEC 27002
- Discuss the relationship between ISO/IEC 27001, ISO/IEC 27002, and other standards and regulatory frameworks
- Support an organization in effectively determining, implementing, and managing information security controls based on ISO/IEC 27002

### Vereiste kennis en vaardigheden:

- The main requirements for participating in this training course are having a fundamental understanding of ISO/IEC 27002 and comprehensive knowledge of information security.

### Examens en certificering

The "PECB Certified ISO/IEC 27002 Manager" exam meets all the requirements of the PECB Examination and Certification Program (ECP). It covers the following competency domains:

- **Domain 1:** Fundamental principles and concepts of information security, cybersecurity, and privacy
