

Introduction to HTML & CSS

Cursusduur: 1 Dag Cursuscode: HCSSI Trainingsmethode: Virtual Learning

Beschrijving:

Introduction to HTML & CSS Course Overview

English - Please note this course is only available in English.

Nederlands - Let op: deze training is alleen in het Engels beschikbaar.

Français - Veuillez noter que ce cours est uniquement disponible en anglais.

HTML & CSS are the fundamental building blocks of the web. This course is designed to provide delegates with the fundamental knowled

Virtueel en Klassikaal™

Virtueel en Klassikaal™ is een eenvoudig leerconcept en biedt een flexibele oplossing voor het volgen van een klassikale training. Met Virtueel en Klassikaal™ kunt u zelf beslissen of u een klassikale training virtueel (vanuit huis of kantoor) of fysiek op locatie wilt volgen. De keuze is aan u! Cursisten die virtueel deelnemen aan de training ontvangen voor aanvang van de training alle benodigde informatie om de training te kunnen volgen.

Doelgroep:

Who will the Course Benefit?

The course is aimed at those who are new to HTML & CSS and who need only know the basics (for now). The course serves as a foundation for further learning and provides just enough for those wishing to learn front-end JavaScript. For more in-depth coverage of the languages, delegates should instead consider the course: Modern, Responsive Websites with HTML & CSS.

Doelstelling:

■ Course Objectives

■ This course aims to provide delegates with the skills and knowledge necessary to construct simple web pages that exploit most of the core HTML elements including text elements, hyperlinks, images, tables, and forms. Delegates should also be able to apply basic styling to HTML elements using core CSS selectors and properties.

Vereiste kennis en vaardigheden:

■ Delegates need only possess basic computing skills - navigate the filesystem, create and edit files and surf the web.

Vervolg cursussen:

Further Learning

■ Modern, Responsive Websites with HTML & CSS

■ Core JavaScript

■ JavaScript Developer

Cursusinhoud:

Introduction to HTML ; CSS Training Course Course Contents - DAY 1
