

Reporting Cisco Contact Center Enterprise

Varighet: 2 Days Kurskode: CCER Version: 1.0 Opplæringsmetoder: Virtuell opplæring

Beskrivelse:

The Reporting Cisco Contact Center Enterprise (CCER) course provides an architectural overview of the Contact Center Enterprise (CCE) Solution components and deployment models. You will learn the end-to-end reporting solutions of CCE designed to assist customers and partners in the task of creating reports and managing disparate data sources. The course explains the nuances of analyzing and troubleshooting in various deployment scenarios: Designed Tier 2/Day 2 Support. The Cisco® Contact Center Enterprise (CCE) solution helps businesses deliver a connected digital experience, enabling you to provide contextual, continuous, and capability-rich journeys for your customers, across time and channels. The course teaches you the business application of the CCE solution providing the framework of interrelationship between both core and optional components required to configure the CCE solution.

Virtuell opplæring

V&C Select™ er et veldig enkelt konsept og svært fleksibelt. Du kan delta personlig i klassen eller som virtuell deltaker. Når deres team er geografisk splittet eller du har et begrenset reisebudsjett kan du benytte deg av vår virtuelle klasserom. Kursinnholdet er akkurat det samme som i et vanlig klasserom og deltakerne får en instruktør "live" via internett. Deltaker kan chatte og snakke med sin instruktør og sine medstudenter. Global Knowledge vil sende deg all informasjon du trenger før kurset slik at du kan teste innlogging.

Målgruppe:

Administrators and Day 2 Support of a Cisco Contact Center Enterprise Deployment

Agenda:

- **After completing this course, you should be able to:**
- Explain the Cisco Unified Intelligence Center including the benefits and features of the system and describe the high-level architecture of Cisco Unified Intelligence Center in the UCCE environment
