

EXIN Information Security Management Professional based on ISO/IEC 27001 - Including Exam

Duration: 3 Days Course Code: ISMP-EXIN

Overview:

Information is crucial for the continuity and proper functioning of both individual organizations and the economies they fuel; this information must be protected against access by unauthorized people, protected against accidental or malicious modification or destruction and must be available when it is needed. The module Information Security Management Professional based on ISO/IEC 27001 tests understanding of the organizational, physical and technical aspects of information security.

Company Events

These events can be delivered exclusively for your company at our locations or yours, specifically for your delegates and your needs. The Company Events can be tailored or standard course deliveries.

Target Audience:

This module is intended for everyone who is involved in the implementation, evaluation, and reporting of an information security program, such as an Information Security Manager (ISM), Information Security Officer (ISO) or a Line Manager, Process Manager or Project Manager with security responsibilities. Basic knowledge of Information Security is recommended, for instance through the EXIN Information Security Foundation based on ISO/IEC 27001 certification.

Objectives:

- Information security perspectives: the perspectives of the business, the customer, and the service provider
- Risk Management: Analysis of the risks, choosing controls, dealing with remaining risks
- Information security controls: Organizational, technical and physical controls

Prerequisites:

- ISF-EXIN - EXIN Information Security Foundation based on ISO/IEC 27001 - Including Exam

Testing and Certification

Requirements for certification

- Successful completion of the EXIN Information Security Management Professional based on ISO/IEC 27001 exam.
- Accredited EXIN Information Security Management Professional based on ISO/IEC 27001 training, including completion of the practical assignments.
