
Growing A Business

Duration: 5 Days Course Code: CEI-GAB

Overview:

The Growing a Business workshop is a practical, comprehensive business course on how to successfully grow a business. It is designed to empower small to medium-sized business entrepreneurs to expand their business by equipping them with the necessary knowledge, resources, and networking opportunities.

Successful business ownership requires not only starting a business correctly, but also continually seeking ways to upgrade and expand, whether this involves re-organization, outsourcing, franchising, merging, or forming partnerships.

Analyzing your market and revising your business plan pulls various components together to grow your business. The workshop consists of leader-led instruction, small group work, and on-line learning. The entire curriculum takes about 35-40 hours to complete.
