

ITIL[®] 4 Foundation (2-days) - Including Exam

Duration: 2 Days **Course Code: ILFN4-2** **Delivery Method: Virtual Classroom**

Overview:

This 2-day course ITIL[®] 4 Foundation provides IT leaders, practitioners, support staff and staff interfacing with the organisation's digital and information systems functions with a practical understanding of the key concepts, common language, principles and practices that enables successful management of modern IT-enabled services. There is also a lot of attention for the 15 Practices (or as they were called in the previous ITIL[®] editions: the processes). The training also prepares delegates for the ITIL[®]4 Foundation Certificate Examination. The training is based on the ITIL[®] 4 best practice service value system featured in the latest 2019 guidelines.

This course is extremely suitable for anyone who already has experience with ITIL[®] and wants to pass the exam via this shorter route. For more in-depth training and for participants without any ITIL[®] experience, we recommend the 3-day ITIL[®] 4 Foundation course.
