

ITIL® 4 Specialist: Sustainability in Digital & IT - Including Exam

Duration: 3 Days **Course Code: ITIL4SDIT** **Delivery Method: Virtual Classroom**

Overview:

This 3-day ITIL® 4 Specialist: Sustainability in Digital & IT module explores how service organisations may address sustainability challenges in relation to their digital and IT strategies, tactics, and operations, focusing on ITIL's Service Value Chain and ITIL practices. The module highlights key sustainability competencies and capabilities that service organisations should develop and provides guidance on how to build capacity within their teams to effectively manage sustainability challenges.
