

Leading Virtual Teams

Duration: 2 Days **Course Code: LVT100E**

Overview:

In today's global and technology-enabled environment, working in virtual teams has become the norm rather than the exception. Companies expect employees to collaborate and work in both formal and informal virtual teams and contribute in a productive way to business results. The challenge is that working virtually presents a set of communication and leadership challenges that leaders have not had to deal with in the past. The Leading Virtual Teams workshop is a 2-day programme that teaches leaders at all levels how to maximise both individual and team effectiveness in a virtual environment.

Target Audience:

All employees who work on virtual teams.

Objectives:

- The benefits and challenges of leading virtual teams
- Maximising individual performance
- Communicating for clarity in a virtual environment
- Creating an effective team environment
- Establishing clear expectations and processes
- Managing process, time and participants to achieve virtual team meeting results
