
Managing Meetings

Duration: 1 Day Course Code: MM100E

Overview:

Meetings are necessary activities required to communicate, collaborate and make decisions about important business processes, projects and objectives. It is estimated that employees spend up to 50% of their time in meetings. The challenge is—many meetings are unnecessary, include the wrong people, or are not managed in a way to maximize productivity. The Managing Meetings Workshop has been developed to equip anyone who is required to the plan and lead meetings with the skills, knowledge and tools necessary to maximize the productivity of their meetings.
