

GDPR - Certified Information Privacy Professional/Europe (CIPP/EU)

Duration: 2 Days **Course Code: CIPPE**

Overview:

The global gold standard in European data protection certification.

This two-day training encompasses pan-European and national data protection laws, key data protection terminology and practical concepts concerning the protection of personal data and trans-border data flows.

The CIPP/E program was developed by the International Association of Privacy Professionals (IAPP), which is the world's largest comprehensive global information privacy community and resource. The CIPP/E certification holds accreditation under ISO 17024: 2012.

Are you GDPR Ready?

The General Data Protection Regulation (GDPR) takes effect in 2018, are you ready for it?

There's a lot to know, there's a lot at stake and there's a lot of opportunity for data protection professionals with the right training and education.

Achieving a CIPP/E credential shows you have the comprehensive GDPR knowledge, perspective and understanding to ensure compliance and data protection success in Europe—and to take advantage of the career opportunity this sweeping legislation represents.
