Red Hat Certified Specialist in Clustering and Storage Management Exam (RHEL 6)

Duration: 1 Days   Course Code: EX436   Delivery Method: Company Event

Overview:

The Red Hat® Enterprise Clustering and Storage Management Expertise Exam is a performance-based test of the skills covered in the Red Hat Enterprise Clustering and Storage Management (RH436) course. To enroll in this exam, candidates must be a Red Hat Certified Engineer (RHCE®)

Company Events

These events can be delivered exclusively for your company at our locations or yours, specifically for your delegates and your needs. The Company Events can be tailored or standard course deliveries.

Target Audience:

Experienced Linux® system administrators responsible for the planning, deployment, and management of more than one physical or virtualized server andRHCEs interested in earning a Red Hat Certificate of Expertise or an RHCDS or RHCA credential.

Objectives:

- Exam candidates must have a current RHCE certification at the time of enrollment.

-

- This exam is performance-based, meaning that candidates must perform tasks on a live system, rather than answering questions about how one might perform those tasks.

-

- The hands-on nature of this exam make real-world experience a critical facet of preparation.

-

- Exam results are emailed within (5) US business days following the exam.

-

- See re-certification policies for more information regarding 'current' window for all credentials.

Prerequisites:

- Exam candidates must:
- Hold a current RHCE certification at the time the exam is taken.
- Have Red Hat Enterprise Clustering and Storage Management (RH436) or equivalent experience.
- Understand that real-world system administration experience is also an important aspect of preparation for the exam.
- Review exam objectives for the Red Hat Enterprise Deployment and Systems Management Expertise Exam.

Testing and Certification

- Length 4 Hours,09.00am start
- This exam prepares you for these credentials:
- Red Hat Certified Architect — RHCA
- Red Hat Certified Security Specialist — RHCDS
- Certificates of Expertise
