

Coaching and Mentoring Team Members

Duration: 0.5 Days **Course Code: GK2984** **Delivery Method: Company Event**

Overview:

Coaching and mentoring can help your team members improve on-the-job performance and develop into your organization's leaders of tomorrow. Coaching can also help bring underperformers' work up to standard. This short course will explain the difference between coaching and mentoring and outline the basics of both. You'll learn about what makes a great coach, how to structure a coaching session, and the keys to formal mentoring in the workplace.

This virtual short course, specifically designed to give you a quick convenient way to renew and refresh your project management skills, maintain your Project Management Professional (PMP)® certification, and earn PDUs on your own time, at your own pace. Virtual short courses do not include materials or headsets.

PMP is a registered mark of the Project Management Institute, Inc.
