

Principles of SAP Governance, Risk and Compliance

Duration: 2 Days Course Code: GRC100 Delivery Method: Company Event

Overview:

This course provides both an overview of the SAP Governance, Risk and Compliance (GRC) solution portfolio and foundational knowledge for SAP Governance, Risk and Compliance (GRC) 12.0. By gaining familiarity with this solution's harmonized navigation, common functions, shared master data, and the harmonized reporting framework, you will be better able to get the most value out of using the integrated applications in SAP GRC.

Company Events

These events can be delivered exclusively for your company at our locations or yours, specifically for your delegates and your needs. The Company Events can be tailored or standard course deliveries.

Target Audience:

- Application Consultant
