

ISO 31000 Risk Manager (PECB certified) + exam

Duration: 3 Days Course Code: IS31000RM Version: 7.0

Overview:

The ISO 31000 Risk Manager training course helps participants acquire the knowledge necessary and ability to integrate the risk management guidelines of ISO 31000 in an organization. It provides information with regard to the risk management principles and their application, as well as the core elements of the risk management framework and steps for a risk management process. In addition, it provides the basic approaches, methods, and practices for assessing risk in a wide range of situations.

Upon completion of the training course, you can sit for the exam and apply to obtain the “PECB Certified ISO 31000 Risk Manager” credential. The credential demonstrates your knowledge and ability to apply the risk management process in an organization based on the guidelines of ISO 31000 and best practices.

Target Audience:

Managers or consultants responsible for the effective management of risk in an organization
Individuals seeking to gain knowledge about the risk management principles, framework, and process
Individuals responsible for the creation and protection of value in their organizations
Individuals interested in pursuing a career in risk management

Objectives:

- Understand the risk management concepts, approaches, methods, and techniques
- Learn how to apply the ISO 31000 risk management process in an organization
- Learn how to establish a risk management framework in the context of an organization
- Understand the basic approaches, methods, and practices used to integrate risk management in an organization

Prerequisites:

-
- IS31000F - ISO 31000 Foundation (PECB certified) + exam

Testing and Certification

The “PECB Certified ISO 31000 Risk Manager” exam complies with the requirements of the PECB Examination and Certification Program (ECP). The exam covers the following competency domains:

- **Domain 1:** Fundamental principles and concepts of risk management
 - **Domain 2:** Establishing the risk management framework
 - **Domain 3:** Application of the risk management process
- For specific information about exam type, languages available, and other details, please visit the [List of PECB Exams](#) and the [Examination Rules and Policies](#).

Having successfully passed the exam, you can apply for the respective credential. You will receive the certificate once you comply with all the requirements of this certification. Certification fees are included in the exam price.

Follow-on-Courses:
